RABBLE THEATRE

RABBLE Theatre Youth Board

RABBLE Theatre are looking for people aged 16-25 to create our first ever Youth Board. Join us and you will steer and support the artistic, educational and outreach work of the company and make positive change here in our town.

RABBLE is an award winning professional theatre company based in Reading. We are inclusive, independent, women-led & powered by a vision to build a place where every person is proud to say "This is my home".

We work hard to represent and involve our diverse community and we want to know that we're relevant to young people, so if you're aged 16-25 and interested in making Reading even better, then we want to hear from you.

RABBLE create exciting, unique professional productions about Reading's past and present in incredible locations across the town. Sometimes we have a rave DJ, sometimes a classical composer. There might be epic fight scenes, or beautiful movement sequences, but either way we always aim for our shows to be stunning pieces of inspirational theatre.

We also deliver a range of educational projects, such as **RABBLE Young Company** , workshops in schools, masterclasses, adult acting classes, work experience and internships in our professional shows.
